

## ABOUT KANOPY

Kanopy is a free streaming video service that allows you to stream a wide variety of movies, documentaries, TV shows, and even how-to videos. Available on several different platforms, Kanopy has something for everyone! Each month you will receive 10 play credits. A play credit is used after watching a video for 5 seconds or more. Once you start or finish a movie, you can access it for 3 days without using additional play credits.
