The Fire Truck

The **big red fire truck** rushes down the street.

"Clang clang clang" goes the bell,

(Make bell and siren noises)

The cars move to clear the way.

The children run and yell.

(Run and yell)

The fire fighters roll out the heavy hose.

(Pretend to roll out hose)

They put up the ladders with a bang.

(Pretend to climb ladders)

They fight the fire and then start back.

And the bell goes "clang clang clang."

(Make soft, slow bell noises that fade out)
