Wide Eyed Owl

There's a wide eyed owl,

(Make fingers in large circles and cup over eyes)

With a pointed nose

(Use fingers to make a triangle and point out for nose)

Two pointed ears,

(Use fingers for ears)

And claws for toes.

(Wiggle fingers like toes)

He lives way up in the tree

(Point up to tree top)

And when he looks at you,

(Point at kids)

He flaps his wings

(Use arms for wings, and flap)

And says "Whooo whooo"

(Continue flapping wings)

Five Little Owls

Five little owls on a moonlit night.

Five little owls are quite a sight.

Five little owls, are you keeping score?
One flew away! And then there were four.

Four little owls, happy as can be,
One flew away! Then there were three.

Three little owls calling "Whoo! Whoo!"
One flew away! And that left two.

Two little owls having lots of fun.

One flew away! And that left one.

One little owl, we are almost done.
He flew away! And that leaves none.
