

## **Designated Space Policy Nature Explorium**

In addition to the rules stated in the ***Patron Behavior*** and the ***Unattended Children Policies***, the utilization of the Nature Explorium will have the following restrictions:

Use of the Explorium is reserved for children (birth through 8<sup>th</sup> grad ), their parents, caregivers, guardians and others with special permission by authorized staff.

Middle Country residents are given priority access to the Explorium. If the Explorium becomes overly crowded as determined by the supervising staff member, non-residents will be asked to leave the space.

When special programs are being conducted in the Explorium, access will be limited to those patrons who are registered for the program.

Under extreme weather conditions, the Explorium will be closed at the discretion of Library staff.
