

DESIGNATED SPACES POLICY

The Library reserves the right to limit access to and use of designated spaces designed for specific audiences or purposes. Limited use/access areas include the Children's Room, the Underground, Club 5-6-7, Teen Resource Center, Nature Explorium, Quiet Study, Museum Corner and Miller Business Resource Center. The Director is authorized to develop and promulgate guidelines pertaining to the utilization of designated spaces within the Library and to amend such from time to time as deemed appropriate. All such designated spaces policies are to be displayed within the designated premises.
