Getting Started with Hoopla

hoopla
For Android Devices

1 Download and install Hoopla from the Google **Play Store**.
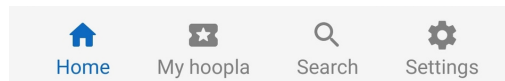

Google Play Store

2 Tap **Sign Up** to make a Hoopla account. Enter in your email address (twice) and a password (twice), then tap on **Next**.

3 In the **Search** bar at the top of the screen, **enter in 11720, tap on Middle Country Public Library** and tap **Next.** Enter your **library card number,** tap **Sign Up,** then tap **Let's Go** on the next screen. You will be brought to the main Hoopla page.

4 At the bottom of your screen you will find 4 icons. **Home** brings you to the main Hoopla page & **My hoopla** shows your current checkouts. **Search** is where you can find items. **Settings** brings you to your Hoopla settings, where you can make changes to the app or your account.

| Home | My hoopla | Search | Settings |

5 To **browse** for items, use the buttons towards the **top** of the app. You can browse Audiobooks, Comics, Ebooks, Movies, Music, and Television.

| Audiobooks | Comics | Ebooks | Movies | Music | Television |

6 To **borrow** an item, tap on the item **cover**, then tap on the **blue Borrow icon**. A box will pop up letting you know **how long*** you will have the item. Tap on **Borrow Title**, and then choose whether to play, read, or listen.

Items have different loan periods. You may borrow up to 15 titles a month.
- **Movies** are available for 2 or 3 days, depending on the title.
- **TV episodes** are available for 2 or 3 days, and each individual episode counts towards 1 borrow.
- **Ebooks, audiobooks, & comics** are available for 21 days.
- **Music albums** are available for 7 days.

7 Want to **stream** a movie or show on your **TV**? You can link your Hoopla app to a streaming device like a Fire TV or Roku. First, download Hoopla on your streaming device & sign in with your Hoopla account. A **code** will show on your TV. Next, go to your smartphone or tablet and go to your Hoopla **Settings**. Scroll down and tap on Link TV Device. Enter in the code you see on your TV. Your devices will be linked, and you can now stream anything you borrow!
