#### It's a Small World

It's a world of laughter  
 A world of tears  
 It's a world of hopes  
 And a world of fears  
 There's so much that we share  
 That it's time we're aware  
 It's a small world after all  
 It's a small world after all  
 It's a small world after all  
 It's a small world after all  
 It's a small, small world  
 There is just one moon  
 And one golden sun  
 And a smile means  
 Friendship to ev'ryone  
 Though the mountains divide  
 And the oceans are wide  
 It's a small world after all  
 It's a small world after all  
 It's a small world after all  
 It's a small world after all  
 It's a small, small world

#### We've Got the Whole World In Our Hands

We've got the whole world in our hands,  
 We've got the whole world in our hands,  
 We've got the whole world in our hands,  
 We've got the whole world in our hands.  
 We've got the fish of the sea in our hands,

 We've got the whole world in our hands.  
 We've got the birds of the air in our hands,  
 We've got the birds of the air in our hands,  
 We've got the birds of the air in our hands,  
 We've got the whole world in our hands.  
 We've got the trees and the flowers in our hands,  
 We've got the trees and the flowers in our hands,  
 We've got the trees and the flowers in our hands,  
 We've got the whole world in our hands.

## **CRAFT**

### **DIY Piñata**

#### ***Supplies Needed***

- Paper Cups
- Colorful Napkins or Tissue Paper
- Tape (double-sided is the most convenient)
- Ribbon
- Candy and small toys to fill the piñatas with
- Rubber band

#### ***Directions***

1. Begin by poking a small hole in the bottom of each cup and threading a ribbon through. Then tie a knot in the ribbon to prevent it from slipping out.
2. Take your paper cup and trace it on a piece of tissue paper, then cut about an inch further out
3. Fill cups with candy or small toys and cover with a piece of tissue paper, using a rubber band to hold it in place.
4. Measure how long your strips of tissue paper need to be to fit all the way around the cup. Then cut a rectangle of each color the length you'll need, by 3". Fold your rectangles in half, then cut slits in each strip.
5. Wrap strips around the cup, using tape to keep them in place. The trick to keeping them straight is to make sure the middles of the strips are taped to the cup, and not the tops. You can then "squish" the tissue paper and flatten it to the cup. (This part will be covered by the next color, so it doesn't have to be pretty.
6. Attach strips all the way up and around the cup.
7. To cover the top "squished" tissue paper part, grab some ribbon, and using a tiny piece of tape, attach it all around the top
8. Carefully attach a piece of ribbon to the bottom of the piñata onto the tissue paper.
9. When it's time to break open the piñata, allow the recipient to pull the taped ribbon, causing the tissue paper to rip and the goodies to come spilling out!
