

ONLINE RESOURCE REVIEW

Resource: [Libby](#)
Subject Used For: Reading
Ease of Use: 5/5
Helpfulness: 5/5
Likeliness to Recommend: 4/5

Experience with the resource:

My experience with Libby is awesome. I use Libby almost every day to check out books on my iPad. It has all kinds of book genres including, manga, poetry, fiction, non-fiction, graphic novels and almost every genre you could think of! Libby is very flexible, it lets you read from the app, or load it onto your kindle. It offers audiobooks as well as regular books, and has books for all ages. If a book is unavailable you can place a hold on the book and borrow it when it's ready.
